

Product card

English universal plant brush

index	
	5204, 5205, 5206, 5207, 5208, 5209, 5210

1. Application

For manual painting with solvent-based oil paints and varnishes.

2. Technical Data

Handle: Beech wood

Ferrule: Galvanized metal

Sizes [mm]: 1", 1.5", 2", 2.5", 3", 3.5", 4"

Bristles: Synthetic fiber blend and natural bristles

3. Risk Analysis

Sharper edges of the metal ferrule or splinters from the wooden handle may cause minor injuries.

Prolonged use of a poorly designed brush can lead to hand fatigue or wrist pain.

The product has not been classified as hazardous.

4. Safety Guidelines

- Use the tool only for its intended purpose.
- Keep out of reach of children.
- Avoid contact with sharp edges.
- Clean the tool after each use to remove residual materials and ensure durability.

5. Storage Conditions

Store in a cool, dry place, away from direct heat sources.
