Float with Blue Rubber Sponge

| | |
|-------|------|
| index | 6240 |
|-------|------|

1. Application

For smoothing wall and floor surfaces and removing residual mortars and plasters.

2. Technical Data

- Sponge thickness: 18 mm
- Sponge material: High-abrasion-resistant rubber
- Dimensions: 130 x 250 mm
- Handle: PS plastic
- Fixing: Spartan glue

3. Risk Analysis

- Surface damage: Risk of scratching or damaging with excessive pressure.
- Tool contamination: May affect work quality.
- Improper use: Risk of deformation or detachment of the sponge.

4. Safety Guidelines

- Use as intended.
- Avoid use on surfaces with sharp edges.
- Clean and dry the tool after each use.
- Check the sponge condition regularly and replace if damaged or worn.
- Protect from exposure to aggressive chemicals.

5. Storage Conditions

Store in a dry place, away from moisture and direct sunlight.
