Premium english acrylic paint brush

index	
	6550, 6551, 6552, 6553, 6554

1. Application

For manual painting with water-based paints and varnishes.

2. Technical Data

Handle: Lacquered beech wood (acrylic lacquer)

Ferrule: Galvanized steel sheet

Sizes [mm]: 30, 40, 50, 60, 70

Thickness [mm]: 13-15

Adhesive: Two-component epoxy

Bristles: Synthetic fiber blend

3. Risk Analysis

Sharper edges of the metal ferrule or splinters from the wooden handle may cause minor injuries.

Prolonged use of a poorly designed brush can lead to hand fatigue or wrist pain.

The product has not been classified as hazardous.

4. Safety Guidelines

- Use the tool only for its intended purpose.
- Keep out of reach of children.
- Avoid contact with sharp edges.
- Clean the tool after each use to remove residual materials and ensure durability.

5. Storage Conditions

Store in a cool, dry place, away from direct heat sources.
