

## Product card

Premium english oil paint brush

index	
	6572, 6555, 6556, 6557, 6558, 6559, 6573

### 1. Application

For manual painting with solvent-based paints.

### 2. Technical Data

Handle: Beech wood, lacquered (acrylic lacquer)

Ferrule: Galvanized metal

Sizes [mm]: 20, 30, 40, 50, 60, 70, 90

Thickness [mm]: 13-15

Adhesive: Two-component epoxy

Bristles: Synthetic fiber blend

### 3. Risk Analysis

Sharper edges of the metal ferrule or splinters from the wooden handle may cause minor injuries.

Prolonged use of a poorly designed brush can lead to hand fatigue or wrist pain.

The product has not been classified as hazardous.

### 4. Safety Guidelines

- Use the tool only for its intended purpose.
- Keep out of reach of children.
- Avoid contact with sharp edges.
- Clean the tool after each use to remove residual materials and ensure durability.

### 5. Storage Conditions

Store in a cool, dry place, away from direct heat sources.
