Round universal paint brush

index	5215, 5216, 5217, 5218, 5219, 5220, 5221, 5222, 5223, 5224
--------------	--

1. Application

For all types of paints and varnishes.

2. Technical Data

Handle: Beech wood

Ferrule: Galvanized sheet metal / plastic

Sizes [mm]: 20, 25, 30, 35, 40, 45, 50, 55, 60, 70

Bristles: Blend of synthetic fibers and natural bristles

3. Risk Analysis

Sharper edges of the metal ferrule or splinters from the wooden handle may cause minor injuries.

Prolonged use of a poorly designed brush can lead to hand fatigue or wrist pain.

The product has not been classified as hazardous.

4. Safety Guidelines

- Use the tool only for its intended purpose.
- Keep out of reach of children.
- Avoid contact with sharp edges.
- Clean the tool after each use to remove residual materials and ensure durability.

5. Storage Conditions

Store in a cool, dry place, away from direct heat sources.
