Universal bench paint brush

index	5231, 5232, 5233
-------	------------------

1. Application

For manual painting with all types of paints, varnishes and primers.

2. Technical Data

Handle: Lacquered beech wood

Ferrule: Lacquered beech wood

Sizes [mm]: 170, 180, 190

Thickness [mm]: 65-85

Adhesive: Two-component epoxy

Bristles: Synthetic fiber blend

3. Risk Analysis

Splinters from the wooden handle may cause minor injuries.

Prolonged use of a poorly designed brush can lead to hand fatigue or wrist pain.

The product has not been classified as hazardous.

4. Safety Guidelines

- Use the tool only for its intended purpose.
- Keep out of reach of children.
- Clean the tool after each use to remove residual materials and ensure durability.

5. Storage Conditions

Store in a cool, dry place, away from direct heat sources.
