

## Product card

Universal strip paint brush

index	
	5234, 5235, 5236, 5237

### 1. Application

Intended for minor finishing works.

### 2. Technical Data

Handle: Beech wood

Ferrule: Galvanized sheet metal

Sizes [mm]: 6, 8, 10, 12

Bristles: Blend of synthetic fibers and natural bristles

### 3. Risk Analysis

Sharper edges of the metal ferrule or splinters from the wooden handle may cause minor injuries.

Prolonged use of a poorly designed brush can lead to hand fatigue or wrist pain.

The product has not been classified as hazardous.

### 4. Safety Guidelines

- Use the tool only for its intended purpose.
- Keep out of reach of children.
- Avoid contact with sharp edges.
- Clean the tool after each use to remove residual materials and ensure durability.

### 5. Storage Conditions

Store in a cool, dry place, away from direct heat sources.
