Universal wallpaper paint brush

index	5225, 5226, 5227, 5228, 5229, 5230
-------	------------------------------------

1. Application

For manual painting with various types of paints and varnishes.

2. Technical Data

Handle: Beech wood

Ferrule: Beech wood

Ferrule: Galvanized sheet metal

Sizes [mm]: 70, 90, 110, 130, 140, 150

Bristles: Blend of synthetic fibers and natural bristles

3. Risk Analysis

Sharper edges of the metal ferrule or splinters from the wooden handle may cause minor injuries.

Prolonged use of a poorly designed brush can lead to hand fatigue or wrist pain.

The product has not been classified as hazardous.

4. Safety Guidelines

- Use the tool only for its intended purpose.
- Keep out of reach of children.
- Avoid contact with sharp edges.
- Clean the tool after each use to remove residual materials and ensure durability.

5. Storage Conditions

Store in a cool, dry place, away from direct heat sources.
