Masking tape 7 DAYS x K.24

index	
	5843, 5844, 5845, 5846, 5847

1. Application

For protecting surfaces and achieving precise edges during painting and varnishing tasks.

2. Technical Data

- Material: Natural rubber adhesive, crepe paper
- Dimensions: 48 mm/50 m, 25 mm/50 m, 30 mm/50 m, 38 mm/50 m, 19 mm/50 m
- Adhesion time: Up to 7 days
- Operating conditions: from +5°C to +60°C

3. Risk Analysis

- Risk of adhesive residue on surfaces: Ensure the tape is not applied to sensitive surfaces.
- Risk of poor adhesion: Verify the surface is dry and clean before application.
- Risk of surface damage during removal: Remove the tape slowly and evenly.

4. Safety Guidelines

- Use as intended.
- Avoid application on hot or damp surfaces.
- Store at room temperature before use.
- Remove the tape carefully to prevent surface damage.

5. Storage Conditions

Store in a cool, dry place away from heat sources and direct sunlight.
