index	
	5840, 5819, 5835, 5836, 5837, 5838

1. Application

Used for painting, decorative, and craft work, providing precise masking and surface protection.

2. Technical Data

- Adhesive: Water-based acrylic, safe for health and the environment
- Material: Rice paper
- UV resistance
- Dimensions: 12mm/50m, 19mm/50m, 25mm/50m, 30mm/50m, 38mm/50m, 48mm/50m

3. Risk Analysis

- Risk of surface damage: The tape may damage delicate surfaces if not used properly.
- Minimizing the risk: Test on a small, inconspicuous area before use.
- Surface contamination: Leaving the tape on the surface too long may leave adhesive marks.
- Minimizing the risk: Remove tape within a few hours after application.
- Risk of tearing: The tape may tear if overstretched.
- Minimizing the risk: Avoid stretching the tape during application.

4. Safety Guidelines

- Use as intended.
- Keep out of reach of children.
- Remove the tape gently after use, avoiding stretching.
- Avoid contact with water before use.
- Store the tape in its original packaging after use.

5. Storage Conditions

Store in a dry place, away from moisture and direct sunlight.
