

## Product card

Tarpaulin

<b>index</b>	5857, 5858, 5859, 5854, 5855, 5856, 5931, 5932, 5933, 5934, 5935, 5936, 5937, 5938, 5939, 5941, 5942, 5943
--------------	--

### 1. Application

For protecting cargo from damage and dirt during transportation.

### 2. Technical Data

- Material: Polyethylene
- Casters: Stainless steel
- Dimensions: Various sizes: 2x3m, 3x4m, 4x5m, 5x8m, 6x10m, 8x12m blue, grey, green

### 3. Risk Analysis

- Contamination of the tarpaulin: Risk of contamination of the material if used inappropriately.
- Material damage: Risk of abrasion or tearing of the tarpaulin if used improperly.
- Avoid contact with sharp objects that may damage the material.
- Corrosion of casters: Risk of corrosion of metal casters if they come into contact with moisture.
- Store the tarp in a dry place to avoid corrosion.

### 4. Safety Guidelines

- Use as intended.
- Avoid contact with sharp edges and objects.
- Clean the tarpaulin of dirt after use to prevent it from being damaged.
- Regularly check the condition of the wheels and the material to ensure their long-term functionality.
- Remove dirt after each use to preserve its protective properties.

### 5. Storage Conditions

Store in a dry place, away from moisture, to prevent damage to the material and corrosion of the eyelets.
