

## Product card

Tiling Set Standard

index	5440
-------	------

### 1. Application

For comprehensive tiling work, such as applying, spreading, and removing excess grout, as well as jointing.

### 2. Technical Data

- Tiling bucket: 20 l capacity, plastic (Index: 5444)
- Rollers: For squeezing out excess water (Index: 5445)
- Grid: Allows drainage of water and residues (Index: 5446)
- Tiling trowel: Cleaning construction surfaces (Index: 6042)
- Jointing trowel: For grouting tiles (Index: 6047)

### 3. Risk Analysis

- Slip hazard: Be cautious when working on wet surfaces.
- Tool damage risk: Avoid excessive force on rollers, grid, and trowels.
- Chemical exposure: Wear protective gloves when working with aggressive cleaning agents.
- Skin irritation risk: Avoid prolonged contact with adhesives and grouts.

### 4. Safety Guidelines

- Use as intended.
- Do not leave the bucket with water in a place accessible to children.
- Clean tools after use to remove adhesive and grout residues.
- Avoid storing the set in areas exposed to high temperatures.
- Check tool condition before each use to prevent damage.

### 5. Storage Conditions

Store in a dry place, away from moisture and direct sunlight.
