Protection gloves ND60

index	
	80122, 80122, 80123, 80124

1. Application

To protect hands from high and low temperatures, abrasions, impacts, and other hazards in various industries.

2. Technical Data

- Material: 15G gray nylon spandex, nitrile microfoam with orange dots
- Sizes: M, L, XL, XXL
- Color: Gray with orange spots
- Type: Protective gloves

3. Risk Analysis

- Sharp objects: Risk of piercing the gloves with sharp objects.
- Moisture retention: Sweaty hands can affect wearing comfort.
- Improper fit: Risk of insufficient protection with incorrect size.
- Material wear: Material wear due to intensive use.

4. Safety Guidelines

- Use as intended, depending on the risk in the specific work.
- Regularly check the condition of the gloves and replace them if damaged.
- Avoid contact with chemicals that may damage the material.
- After each use, clean the gloves to ensure their long durability.

5. Storage Conditions

Store in a dry place, away from heat sources and moisture.
